

March for Life 2020

“Life Empowers: Pro-Life is Pro-Woman”

January 24, 2020
Washington D.C

The March for Life is a peaceful protest for the voiceless.

- *Since the passing of Roe v. Wade, approximately 56.5 million babies have been aborted.*

This means that one infant is aborted every 30 seconds!

- *Many abortion clinics, such as Planned Parenthood, conceal aftermaths such as Post-Abortion Syndrom and other health risks.*

See Ms. Maiello in the Campus Ministry Office
to sign up for this year's trip!

Deadline: January 13th
