Dear 11th Grade Parents/Guardian,

**All students entering 12th Grade students MUST HAVE proof of having been given the Meningococcal vaccine (MenACWY). Your child must have the MenACWY (brand names Menactra or Menveo) vaccination **within the first 14 days of school**, or she **will be excluded from school.****

Students entering Grade 12 in 2022-2023 school year must have either:

- 2 doses of meningococcal with the booster dose given on or after age 16
- 1 dose if your child's first dose was given on or after age 16

The required immunization can be obtained from your child's Primary Care Physician (PCP). Please have the PCP sign and stamp this letter as proof that your child has received the vaccine.

Thank you for your time and cooperation in this matter.

Sincerely,  
Barbara Armstrong, RN
