Our Lady of Mercy Academy

Summer School Information

2022-2023 School Year

It is the policy of Our Lady of Mercy Academy that any students who fail a course:

- **MUST** attend summer school.
- **Any students who fail a Regents exam only, can retake the exam in August to ensure the appropriate requirement is met.** The failure of more than two courses requires parent and student to have a meeting with administration.
- If there is a course or Regents failure, parents will be notified by your daughter's teacher.
- Parents will then need to contact their daughter's school counselor for information regarding summer school registration.
- Should your daughter need to take a Regents exam only, please note that you must register at your home district to sit for the August exam.
- It is encouraged that you visit the website of the district/school where your daughter will be taking the exam in order to expedite the process and obtain any additional forms you may need.
