OUR LADY OF MERCY ACADEMY

HISTORY

Our Lady of Mercy Academy, founded in 1928 by the Sisters of Mercy, Brooklyn Regional Community, educates young girls to seek personal fulfillment as Christian women, within an environment that nourishes spiritual, emotional and intellectual growth. Sponsored by the Sisters of Mercy, Our Lady of Mercy Academy is governed by a Board of Directors.

Students share educational experiences in a college preparatory academic curriculum featuring both an Honors Program and Advanced Placement courses. The tradition of academic excellence is evidenced by the fact all Mercy graduates continue their education in college.

The Mercy Spirit is also reflected in over 30 extra-curricular activities, including an extensive sports program, which attracts widespread participation at all interest levels. Located on a spacious campus, the Academy's facilities include tennis courts, artificial turf soccer/lacrosse field, two softball fields, and a well-equipped gym.

MISSION STATEMENT

Our Lady of Mercy Academy is dedicated to providing a comprehensive education grounded in the charism of Catherine McAuley, foundress of the Sisters of Mercy. Guided by the principles of *Fides*, *Mores* and *Cultura*, the faculty and staff educate young women within a compassionate environment to empower them to be authentic witnesses of Catholic values in the global community.

BELIEFS

- We believe a collaborative environment is essential to achieve a common goal. ● We believe compassion and service are necessary to promote moral integrity. ● We believe it is essential to challenge each student to identify and fulfill her individual potential.
- We believe it is important to educate our students about women's roles in history and to challenge them to realize their unique genius.
- We believe every person has value and deserves respect.
- We believe through daily prayer, liturgical celebrations, and opportunities for service we encourage spiritual growth.

ACCREDITATION

Our Lady of Mercy Academy is chartered by the New York State Board of Regents, is accredited by the Middle States Association of Colleges and Secondary Schools, and is a member of the Mercy Secondary Education Association and the National Catholic Education Association. Programs for students are planned to meet and exceed the requirements of the New York State Education Department.

3

ADMISSIONS

Advanced Placement Courses

These courses are offered based on the curriculum and requirements of the College Board, which administers the AP Examinations. The College Board sets the dates of the exams (usually in May), as well as examination fees, security procedures, and other policies. An Advanced Placement course may require substantial summer reading and preparation work. Completion is essential to classroom success. Students in grades 11 and 12 may elect to take up to 3 AP courses, depending on meeting course requirements.

Colleges often look favorably on AP courses because of the depth and breadth of the curriculum, and the challenge they afford students. Our Lady of Mercy Academy students establish a College Board account when they take the PSAT exams. The AP Examinations are scored on a scale of 1-5. Colleges may offer college credit for AP courses taken in high school if students

receive a grade of 3 or higher on an AP Examination. Students must check with colleges of interest to (1) ensure that they accept AP Exam scores for college credit, and (2) understand the exam grade they need to receive in order for that credit to be conferred.

NCAA Eligibility

Students who wish to participate in NCAA Division I or II athletics need to be certified by the NCAA Eligibility Center. Students must qualify academically to be cleared as amateur student-athletes. Students are responsible for achieving and protecting their eligibility status. Please check the Mercy Wellness Department section of the school website (www.olma.org) for additional information.

Course Credit: The final course average determines whether a student passes or fails a course for the year. In Regents courses, a student must pass the Regents exam and the course to receive credit and to fulfill requirements for graduation. A grade of 65 or higher indicates passing.

Course Failure and/or Regents Failure: Any student who fails a course must attend summer school. Any student who fails a Regents Exam must retake the exam until the requirement is met.

Myschoolapp: Log in to our school portal (www.olma.myschoolapp.org) directly from the school website (www.olma.org) to gain access to students' assignments, grades, and progress in each course, as well as quarterly and final report cards. (Report card issue dates are posted in the school's annual calendar). Parents are encouraged to review information provided with their daughter on a regular basis.

Class Websites: Our Lady of Mercy Academy teachers maintain Google Classroom that is available through the individual student's email accounts. Students are encouraged to sign up for e-mail alerts when new assignments or information is posted to Google Classroom by teachers.

Final Course Averages:

Semester 1 consists of Quarter 1, Quarter 2, and a Mid-Term Examination. The Semester 1 Grade is determined by the following calculation:

- Quarter 1 Grade = 45%
- Quarter 2 Grade = 45%
- Mid-Term Exam Grade = 10%

**Note: In the event that a Semester 1 course does not culminate in a Mid-Term Exam, the Semester 1 Grade will be determined by averaging the 1st and 2nd Quarter Grades at 50% each.*

Semester 2 consists of Quarter 3, Quarter 4, and a final Examination. The Semester 2 Grade is determined by the following calculation:

- Quarter 3 Grade = 45%
- Quarter 4 Grade = 45%
- Final Exam or Regents Exam Grade = 10%

**Note: In the event that a Semester 2 course does not culminate in a Final Exam, the Semester 2 Grade will be determined by averaging the 3rd and 4th Quarter Grades at 50% each.*

Final Course Averages are determined by the following calculation:

- Semester 1 Grade = 50%
- Semester 2 Grade = 50%

Academic Probation: Students who fail one or more courses are placed on Academic Probation. Probationary status is reviewed upon completion of each grade reporting period. A student on Academic Probation who has failed more than one course will be ineligible to participate in any athletic or extra-curricular activities or hold leadership positions until such time as determined by school administration.

Plagiarism: Students are expected to demonstrate academic integrity. Consequences for students who have plagiarized and/or copied another's work, including that of other students, are as follows: (1) the student receives a 50% for the assignment and must independently complete the assignment. (2) the student is placed on academic probation and (3) the student and parents/guardians are required to conference with the Assistant Principal and classroom teacher.

Mid-Term and Final Examinations: There are no make-up examinations for students who miss mid-year assessment or final examinations, unless a doctor's note for serious and/or unexpected illness is provided to the Assistant Principal within 24 hours of the missed examination. Routine check-ups and/or doctor visits do not qualify.

It is, therefore, necessary for parents, students, and faculty to have, along with the enunciation of the school's policy regarding alcohol and drugs, an official interpretation of that policy.

The possession, use, or distribution of any quantity of illegal drugs, prescription drugs, or drug paraphernalia, including cigarettes and vaping devices is not permitted on Our Lady of Mercy Academy premises, Our Lady of Mercy Academy vehicles, or at off-site Our Lady of Mercy

Academy sponsored activities and events. Violators are subject to consequences, including dismissal from Our Lady of Mercy Academy and prosecution under the laws of the State of New York.

Strict confidentiality will be observed in providing this assistance; every effort will be made to enable students who are actively seeking help for themselves or others to continue their education at Our Lady of Mercy Academy.

Observations and/or evidence of alcohol/drug use by a student will require an alcohol/drug assessment by an Our Lady of Mercy Academy approved facility.

Parents will be notified when students are required to undergo an alcohol/drug assessment; the financial cost for this is the responsibility of the parent/guardian. Continued enrollment is contingent upon the student completing the assessment and recommended follow-up care.

12

Violence

Violent behavior, vulgar and offensive language, bullying, harassment, threats, and/or abuse, whether physical or verbal, are not in keeping with the values of the Academy and will not be tolerated. OLMA does not tolerate insults related to ability, appearance, culture, gender, home language, race, ethnicity, religion, sexual orientation, or social class. Students engaging in such behavior are subject to behavioral probation and loss of privileges. They may be required to attend

counseling or face possible suspension or expulsion. It is expected that any of the above behaviors, whether confirmed or suspected, are immediately reported to school administrators.

Theft or the Destruction of Property belonging to the school, staff or other students is a very serious offense. A student who steals or defaces property or is suspected of said offenses will be subject to immediate disciplinary action. Legal authorities may be contacted. Restitution and repairs are the parent's/guardian's responsibility.

Truancy and Cutting Class are unauthorized, illegal absences. Truant students and students who cut class are subject to disciplinary action and are not permitted to attend class until their

parent/guardian comes in for a conference with the Assistant Principal. In such cases, no credit is awarded for class work. Students will receive a zero for missed quizzes or tests.

Domestic and Foreign Educational Trips augment the school curriculum. Each student is expected to conduct herself in accordance with the rules in the Student Handbook, as well as the guidelines set by the trip coordinator. Students are expected to follow the dress guidelines as stated in the Student Handbook for day trips as well as for trips of longer duration. Tasteful and reasonable dress and appropriate conduct are expected at all times. Trips are a privilege and

not a right. Participation is contingent on attendance, academics, and behavior. All financial obligations must be current. Students who fail to comply with the rules will be sent home at the parent's/guardian's expense. Medical insurance and authorization forms may be required before a student receives final approval for the trip.

Detention is an after-school session assigned to students as a disciplinary measure. A student who is given detention is to report to the specified room on the assigned day and time, in full uniform. Students receiving detention may forfeit the privilege of holding or applying for leadership positions.

The Disciplinary Review Board is convened at the Principal's discretion to recommend a course of action to the Principal in serious cases. The Disciplinary Review Board consists of the Assistant Principal, Campus Minister, and a representative from the Mercy Wellness Department and the teaching faculty.

Disciplinary Probation, Internal/External Suspension, and Expulsion are consequences for students whose actions or conduct are inappropriate or bring discredit to the school. Students who are or have been placed on probation, or who are or have been suspended, may not hold or apply for leadership positions for the academic year.

Rules for Internal Suspension:

1. The student must be in the assigned room by 8:05AM and must study or do class work for the entire day.
2. The student is allowed to leave the assigned room only when granted permission to do so.
3. On the day of internal suspension, the student cannot participate in any after-school events or activities.

Expulsion is the permanent removal of a student from Our Lady of Mercy Academy. It is the sole decision of the Principal. Our Lady of Mercy Academy reserves the right to review records of academics, attendance, and behavior for a student at any time during the academic year in order to determine her continued enrollment at Our Lady of Mercy Academy.

Sexual Harassment is a form of sexual discrimination prohibited by federal and state law. Sexual harassment is any unwanted conduct of a sexual nature. Our Lady of Mercy Academy is committed to maintaining a learning environment free from sexual harassment and sexual violence, where all employees and students can work and study together comfortably and productively. Our Lady of Mercy Academy prohibits any form of sexual harassment or sexual

violence.

It is in violation of this policy for any student or employee of the Academy to harass a student or an employee through conduct or communication of a sexual nature. Our Lady of Mercy Academy acts promptly to investigate all complaints, formal or informal, verbal or written, and to discipline any student or employee who sexually harasses or is sexually violent to a student or employee of Our Lady of Mercy Academy. Any person reporting in good faith any act of perceived sexual harassment is protected from retaliation of any type or nature whether or not harassment is found.

Special Programs and Events enrich the educational experience. Participation in Special Programs and Events is a privilege and not a right. Failure to comply with specific rules, including but not limited to, meeting financial obligations will result in a student forfeiting her privilege of participating in future special programs and events.

ATTENDANCE POLICY

The New York State Board of Regents attendance policy imposes significant responsibility on parent/guardians, students, and school to make certain a student attends school. Absenteeism, lateness, and/or early dismissal disrupt educational continuity. There is a strong correlation between consistent attendance and student performance. Each course of study involves class attendance, homework assignments, tests, and class participation. Therefore, absences from classes resulting from lateness, early dismissal or college visits have a definite effect on a student's grade. Vacations or family trips during school time are illegal absences. Teachers are not obliged to give work to students who miss school because of vacation or family trips. Absences, lateness, and early dismissals are placed on a student's permanent record and transcript. Attendance is taken every period. Classes missed because of sponsored school trips,

14

and in-school activities are all considered excused absences. The following are reasons that constitute a legal absence from school: sickness, death in the family, health treatment, and court appearances.

Students with repeated absences, early dismissals, or lateness, may be subject

- to: 1. After school detention (3 latenesses = 1 detention)
- 2. Loss of senior privileges
- 3. Denial of course credit
- 4. Denial of leadership positions
- 5. Denial of participation in after school events and activities

Students with Excessive Absences:

If a student is absent 45 days or more in a given school year, the administration may require that she repeat the academic year. Such situations will be reviewed on a case-by-case basis.

If a student is absent more than 20 days in a given year, she may forfeit her privilege to attend school trips.

Attendance Procedure:

- 1. A telephone call is required for every absence. A call to the Main Office, phone number (516) 921-1047 ext. 100 is required before 8:00AM.
- 2. If a student returns to school without an absence note, the student will receive a

referral. 3. Doctor's notes are requested for prolonged absences.

4. Course work will be provided for an extended illness only. It is the student's responsibility to obtain class work and assignments.

5. Students must be in school by 8:00AM and remain in school for the entire day to participate in any after-school events or activities.

Procedure for Early Dismissal:

- A written note, fax, or email must be presented to the Main Office by 8:05AM. The parent/guardian or designated person must pick up the student.
- If a student is sick, the parent/guardian or a designated person must pick up the student.
- If the student is being sent home for disciplinary reasons, the parent/guardian or designated person must pick up the student. If the student is driving and parental permission is received in writing, the student may drive home. If written communication is not possible, verbal permission may be given by the parent/guardian via a telephone call which will be witnessed by two members of the staff and noted for the record.
- Students are expected to attend all school Masses. Appointments should not be scheduled during Mass time on early dismissal days.

Lateness: Any student, who comes late to school, other than as a result of a late bus, must have her parent/guardian sign her in at the Security Desk. If the parent/guardian fails to sign in the student, the student will receive a referral. Seniors who drive and are late must present a note from their parent/guardian the next day.

15

Dismissal for Sickness: The nurse will call the parent/guardian to report any sickness. The student waits with the nurse until the parent/guardian arrives to sign the student out at the Front Desk. Our Lady of Mercy Academy will follow all CDC guidelines regarding COVID -19.

Make-up Examination Policy: All makeup assessments (quizzes and tests) will be administered during Study Halls, before school or after school as arranged by the classroom teacher within one week of the missed assessment when possible.

School Closings: When school closes because of inclement weather or emergencies, School Messenger will be activated, and each household will receive a phone call. It will also be posted on the school website at www.olma.org.

If a school closure exceeds more than one (1) day, virtual learning will take place on the following day(s).

TRANSPORTATION

Important Information Regarding Pick-Up and Drop-Off of Students:

- The 1st lane of parking (lane 3; closest to Convent Road) is the bus-free zone, designated for parent parking during bus pick-up times. Please park in a parking spot.

- Parking in the circle is prohibited. Parking on Convent Road is prohibited, as it is dangerous, and it obstructs the vision of those exiting the parking lot.

suspension of driving privileges.

Important Information Regarding Late Buses and Our Lady of Mercy Academy Van Transportation:

 - The van leaves Our Lady of Mercy Academy at 12:10PM on 12:00PM early dismissal days

16

Working Papers: Our Lady of Mercy Academy does not supply working papers. Papers can be obtained through the student's District High School office.

Safety Drill Procedures:

Safety Drills include Fire, Lock-Down, and Evacuation Drills. Students should be familiar with exit routes posted in each room. During all safety drills, students must follow the directions given by faculty and staff. When a drill is initiated, all students must engage in and comply with the requisite protocols immediately. A referral will be issued to anyone being disruptive during a safety drill. Provisions are made for students with physical limitations to meet in specified areas and be escorted out of the building by Our Lady of Mercy Academy staff during fire and evacuation drills.

To graduate, seniors are required to:

- Pass all subjects
- Meet the Our Lady of Mercy Academy’s requirement of 40 hours of Verified Christian Service, with the understanding that students perform and reflect on a minimum of 5 hours per semester and a minimum of 10 hours per year as outlined by the Theology Department

17

Senior Early Dismissal: Seniors who have completed all their classes may leave after signing out at the security desk.

Leaving the Building: Our Lady of Mercy Academy is a closed campus. Students are not permitted to leave the building at any time during the day. This includes the hours between school dismissal and an afternoon or evening activity.

Car Privilege: Seniors who wish to drive to school must submit the forms found online to the Assistant Principal.

1. All cars must be parked in the area assigned to seniors.
2. A parking permit must be displayed on all cars.
3. Between 8:00AM and 3:00PM students may never go to the parking area without expressed permission of the Assistant Principal.
4. Seniors who become ill during the day and have driven to school will not be permitted to drive home without parent/guardian permission.
5. Our Lady of Mercy Academy discourages students from driving to school in inclement weather; therefore, the school will not assume responsibility for any accident incurred while driving to and from school. In the event of unexpected snow during school hours, students may be directed to leave cars in the parking area and use their district bus to travel home. Students will not be released early to drive home unless a note from the parent/guardian to that effect is faxed, e-mailed, or written to the Main Office.
6. Only seniors (age 17) with a Class D license (from DMV) are eligible to drive to/from school. Driving to school is a privilege not a right. Seniors who are frequently late will lose driving privileges.
7. Juniors (age 17) with a Class D license (from DMV) may request a parking permit and are eligible to drive to/from school during the months of May and June.
8. Cars parked on Our Lady of Mercy Academy property are subject to search.

College Visits: Seniors are encouraged to schedule their college visits after school or on a school holiday. College visits on a school day are recorded as an absence. Check Our Lady of Mercy Academy’s calendar when making appointments.

PART IV

GENERAL INFORMATION AND STUDENT SERVICES

Mercy Wellness Department

Mercy Wellness Department works closely with administration, teachers, parents, and community services in an effort to meet the academic, social, and emotional needs of our students. The department has three full time counselors. Students will meet for intentional instruction once in a 12-day wellness block cycle.

Counselors are available to meet with students throughout the school day. Individual students may schedule an appointment by signing up with the Administrative Assistant in the Wellness Department. The Counselors also act as a liaison between school, school districts, and other mental health professionals who are involved with Our Lady of Mercy Academy students.

18

The Wellness Department also includes a Director of Student Services and a school Social Worker.

Campus Ministry

Campus Ministry, an integral part of the Our Lady of Mercy School Community, encourages students to strengthen their faith and deepen their relationship with God. The Campus Minister chooses a Campus Ministry Team each year to assist in developing activities that integrate Catholic teachings and values into the school. The Campus Ministry Team includes Extraordinary Ministers of Holy Communion, Retreat Leaders, and Service Ministers.

Extraordinary Ministers of Holy Communion assist at all Eucharistic Liturgies. Eucharistic Liturgies are celebrated for Mercy Day, Thanksgiving, Christmas, Easter, and the First Friday of the month. Mass is also provided on Wednesdays during Advent and Lent. Other spiritual activities include Adoration on First Friday, and the sacrament of Reconciliation during Advent and Lent.

Retreat Ministers are responsible for the planning and implementation of four class level retreats. The retreats are planned around themes appropriate to the needs of the individual class. Games, music, talks, and activities contribute to this yearly day of reflection. Attendance is mandatory.

The Service Ministers are responsible for the organization and implementation of the school drives. These drives raise awareness of the needs of the wider community, integrating the Mercy values of compassion and service to people who are less fortunate. All clubs and honor societies include at least one service activity a year and may request the assistance of the Service Ministers.

Health Services are provided by the Syosset School District. The School Nurse is present in the building from 8:00AM to 3:00PM. The number is 921-1047 ext. 005. New York State Law requires all new entrants and students in 10th grade receive a physical examination.

All students must follow NYSED requirements for vaccinations.

Participation in interscholastic sports activities requires a physical examination by a private physician to be on file prior to the fall, winter, or spring seasons. This examination must be dated after June 1st to be valid for the current school year.

Any student who becomes ill during the day must go to the School Nurse. If the student returns to class, she must have the pass signed by the School Nurse indicating the time of her return. If

necessary, the School Nurse will contact a parent to pick up the student.

Administration of Medication During School Day: In order for any internal medication to be taken in school, including over-the-counter medication, state law requires a written request from the family physician indicating the frequency and the dosage of such medication. The School Nurse must also have on file a written request from the parent to administer the medication. A new form must be filled out for each change of medication and renewed each school year. The medication must be supplied in a container professionally labeled by the pharmacist and kept in the Nurse's office. No student is to self-medicate during school hours.

19

Accidents/School Accident Insurance: In the event a student has an accident or injury in the school building or on the school grounds, she must report the injury immediately to her teacher, coach, or nurse.

Our Lady of Mercy Academy provides "Excess" secondary medical insurance benefits to all students. Our student accident insurance policy covers medical expenses not covered by the student's primary medical insurance plan. Parents/Guardians must file for medical benefits first with their primary medical insurance plan and then file a claim with OLMA's student accident claims administrator. Questions regarding coverage and claims should be referred directly to the Business Office.

Past Due Tuition Accounts

Failure to pay tuition or fees owed to Our Lady of Mercy Academy in a timely manner will result in:

- (1) Inability of the student to continue her education at Our Lady of Mercy Academy and maintain her status with her class and her class schedule.
- (2) Denial of Our Lady of Mercy Academy scholarships, awards or financial aid until all past due balances are paid.
- (3) Denial of the student to participate in school-sponsored class trips (Epcot, Boston and Washington D.C.), special class events (Father Daughter Dance, Junior Event, Fashion Show and Senior Prom) and other activities.
- (4) Student participation in clubs, sports and Sports Night may also be in jeopardy.
- (5) Transcripts will not be forwarded to students, parents/guardians, other schools or colleges when a family has a past due balance on their account. This includes the sending of transcripts with college applications, transcripts required for school transfers, and final transcripts sent colleges.
- (6) Placement of the student's account with the school's collection agency.

Student class schedules for the upcoming school year will not be finalized until all tuition and re registration fees are paid.

If on January 15, 2023 there remains a balance on a student's account of \$1,000 or more, the student will not be permitted to return to Our Lady of Mercy Academy for the third quarter until the outstanding balance has been paid in full.

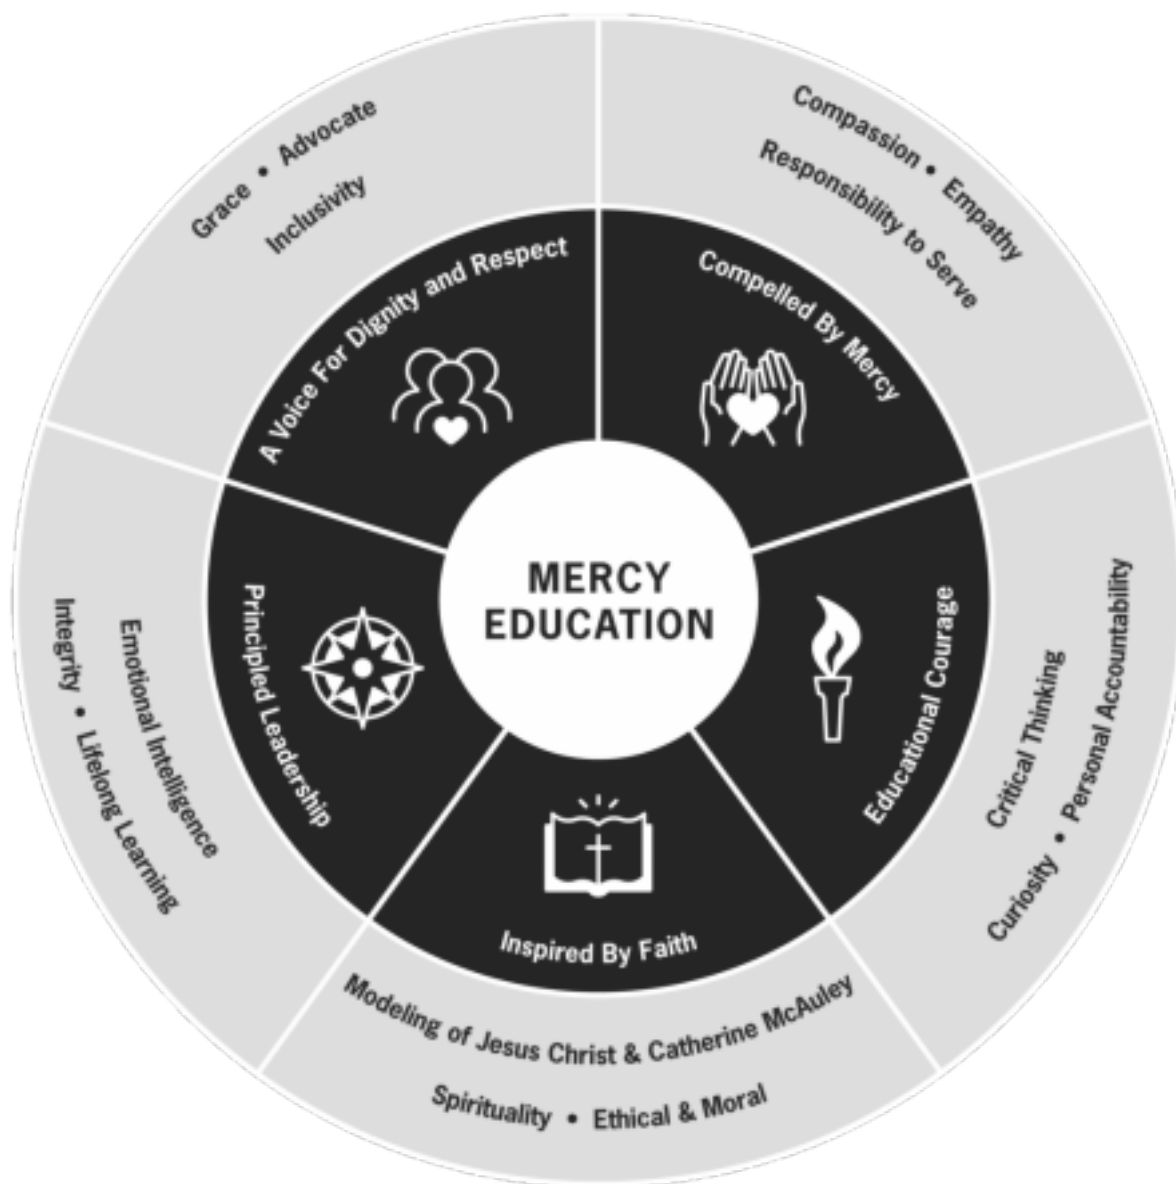

If at the end of the school year there remains an outstanding balance on a student's account, the student will not be permitted to return to Our Lady of Mercy Academy until all financial obligations are completely satisfied.

The policies, rules and regulations included in the Student Handbook are not all encompassing. Situations will arise that will require sanctions as determined by the school's administration. The Principal, therefore, reserves the right to amend any directive, guideline, or procedure at any time.
